

3 reasons we are involved...

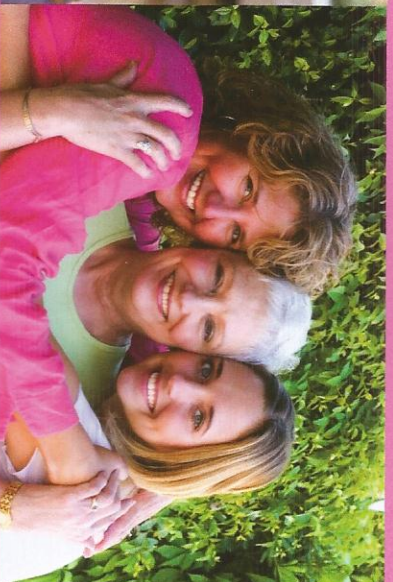

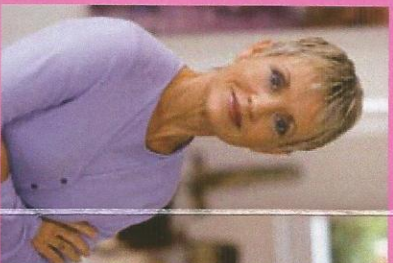

1

**We love
what we do**

We help women simplify their life every day. So being a part of the Cleaning For A Reason Foundation is a natural fit for our busy maid service.

As a local business, we are grateful to have many loyal customers. We are proud of the services we provide and are happy to help those in need.

We are committed to providing the gift of a clean home to women undergoing treatment for cancer through the Cleaning For A Reason Foundation.

2

**So you can focus
on your health**

We will focus on your home so you can focus on your health. We have a heart and soul for cleaning and want to share this with the women of our community during this difficult season of life.

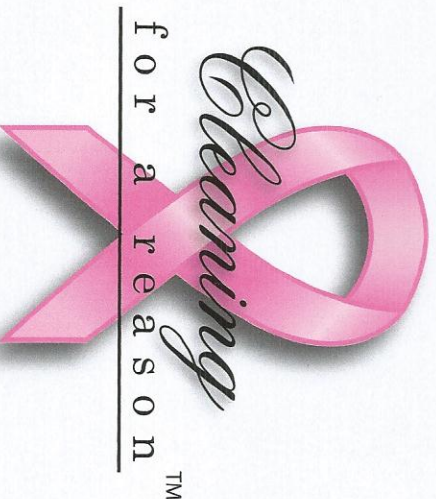

3

Responsibility

We believe responsible businesses look for ways to reach out to their communities. We are committed to being a leader in our industry by doing our part.

We enjoy the personal satisfaction that comes from our volunteer efforts and count it a privilege to be able to put a smile on someone's face. Payment can take many forms. The personal gratification that comes from helping others is an immeasurable reward.

The Cleaning For A Reason Foundation makes it possible for us to do our part in the way we know best -- cleaning homes every day, and making a difference
